THE "DO IT YOURSELF"
PSYCHOANALYSIS KIT

BURT GOLDBLATT

THE "DO IT YOURSELF" PSYCHOANALYSIS KIT

SIDE 1 1. GENERAL INTRODUCTION TO PSYCHOANALYSIS
2. PSYCHOLOGICAL TESTING
3. DIAGNOSIS AND THERAPY

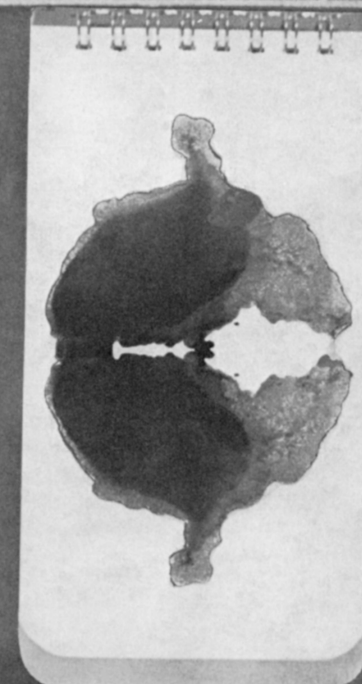

SIDE 2 1. THE PSYCHOANALYTIC SESSION
2. THE DIAGNOSIS BY DR. SIGFRIED GESTALT

HOW TO USE THIS RECORD

Side One: In which Dr. Siegfried Gestalt, World Famous Psychoanalyst, will analyze you. Side one will resolve all your problems, opening the door to a richer fuller life, and will, with luck, enable you to become a decent, useful human being. Simply place this record on a phonograph located near a couch. Lie on the couch, turn on the phonograph, and respond honestly to it. "Amazing results!"

Side Two: Contains a patient for you to analyze. A transcription of an actual psychoanalytic session, with helpful hints and explanatory notes. Includes a model diagnosis by Dr. Siegfried Gestalt. Will enable you to become a Lay Analyst, or Hobbyist. Contains technical terms to spice up your conversation. We suggest you take notes, as you will be asked to compare your diagnosis of the patient with that of Dr. Siegfried Gestalt. "Spectacular achievement!"
