THE *Dr. Science* PLEDGE

"I hereby swear (or affirm)
To defend the right
to disagree
With those who disagree
with Dr. Science
And don't like him.
And that I will proudly
practice the principles
he espouses,
For as long as I may live.
Amen."

"Ask Dr. Science" airs on enlightened American Public Radio network stations nationwide and celebrated its 2000th episode in 1991. All questions are guaranteed to be either authentic or fabricated.
