## MR. NOISY™

By Roger Hargreaves

Mr. Noisy was a very noisy person indeed

Then Mr. Noisy's alarm clock went off

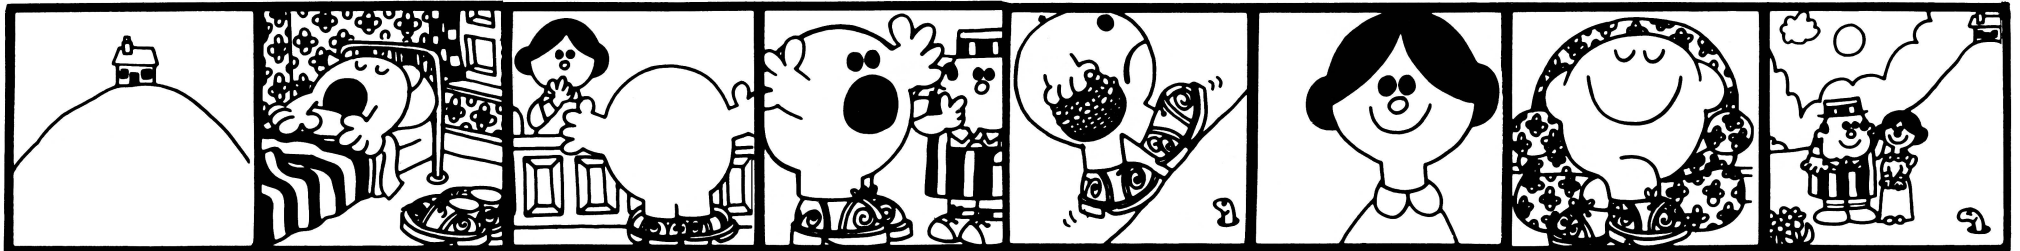

Mr. Noisy decided that he had to go shopping

Afterwards, Mrs. Crumb met Mr. Bacon in the street. We must do something about Mr. Noisy," and he whispered into Mr. Bacon's ear.

Mr. Noisy went shopping again. "I'D LIKE A LOAF OF BREAD," he boomed. "Can I hear you?" replied Mrs. Crumb, pretending not to hear.

Then he went into Mr. Bacon's shop and said quietly, "I'd like a piece of meat, please."

Mr. Noisy set off home up the hill. He tripped. It was fun!

Mr. Noisy was asleep in his house on top of a hill.

He was snoring.

He walked into the bakery. "I'D LIKE A LOAF OF BREAD," boomed Mr. Noisy.

Then he walked along to the butcher shop. "I'D LIKE A PIECE OF MEAT," he boomed to Mr. Bacon, the butcher.

Mr. Noisy went into Mr. Bacon's shop. Mr. Bacon pretended not to hear him. Mr. Noisy went to bed that night, hungry.

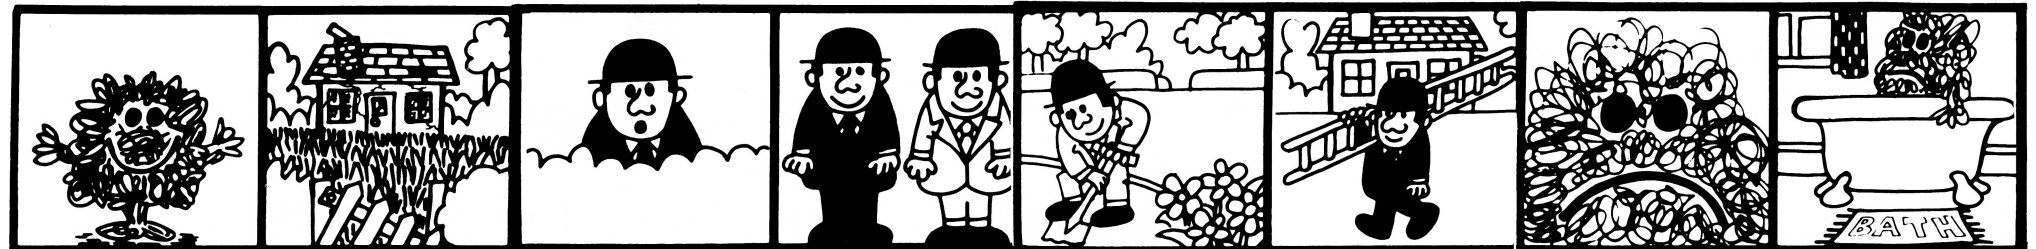

The next day Mr. Noisy tried again. Then he thought and said quietly, "I'd like a loaf of bread, please." Mrs. Crumb, "Certainly," she said.

Mr. Noisy arrived at his front door. He opened it quietly.

The people of Wobbleville were delighted. Mr. Noisy has learned how to whisper.

## MR. MESSY™

By Roger Hargreaves

Mr. Messy was the messiest person you've ever met. He lived in a messy-looking house.

There was a man clipping the hedge. "I'm Mr. Tidy." "And I'm Mr. Neat," said another man.

"We're in business together. We make things nice and neat!" "But I don't want that," said Mr. Messy.

Mr. Neat hoed the garden.

Mr. Tidy made the outside look tidier than it had ever looked before.

Then they both looked at Mr. Messy.

They both whisked him off to the bathroom upstairs.

One morning he set out for a walk. Tripping over a broom he'd left in the garden.

Mr. Messy found the neatest cottage he'd ever seen.

"Nonsense!" said Mr. Tidy. "Fiddlesticks!" said Mr. Neat.

"This is the messiest house I've ever seen," they both said at the same time.

And they set about cleaning the house from top to bottom.

"Tidy and neat," said Mr. Tidy. "Neat and tidy," said Mr. Neat.

They washed, brushed, cleaned and scrubbed Mr. Messy.

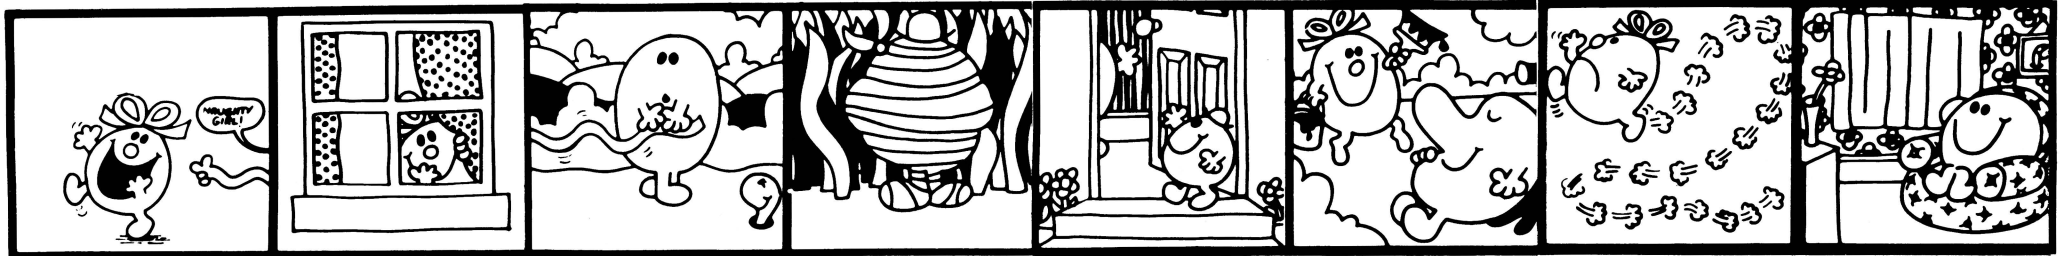

And then they all laughed together and became the best of friends!

## LITTLE MISS NAUGHTY™

By Roger Hargreaves

Are you ever naughty? Well, little Miss Naughty was naughty all the time.

That evening Mr. Bumb was just standing there and she ran off with his bandage.

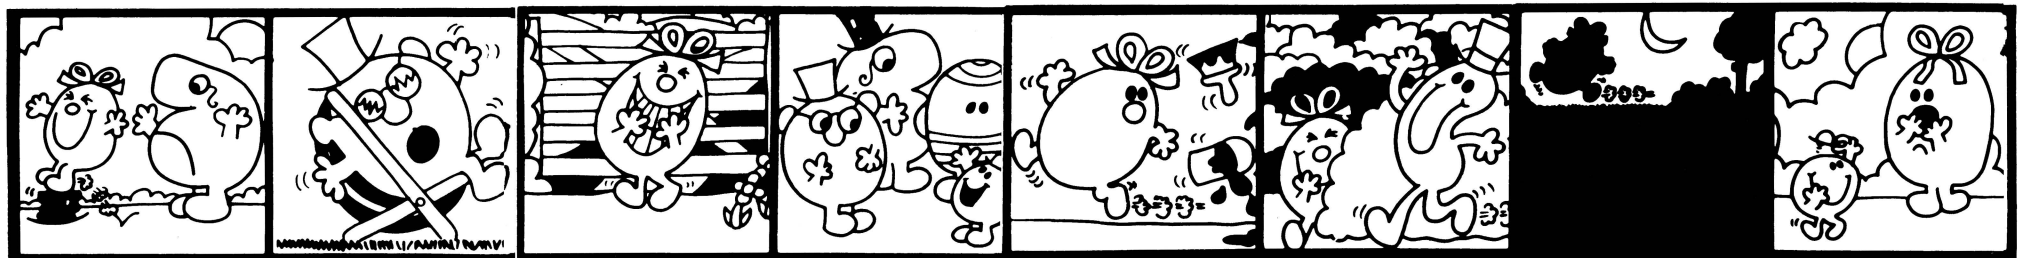

And bandaged up Mr. Small!

Aha, chuckled Mr. Small, and went off to see a friend of his.

That Monday Mr. Nosey was asleep under a tree.

TWEAK! The invisible nose tweaker had struck again.

On Wednesday Mr. Happy was watching TV. Outside Miss Naughty was going to break his window!

That afternoon Mr. Clever was reading a book. She broke his glasses.

Oh, what a wonderful Sunday, and it isn't even bedtime yet!

First thing Monday morning the Mr. Men had a meeting. What's to be done about little Miss Naughty?

TWEAK! Somebody she couldn't see tweaked her nose.

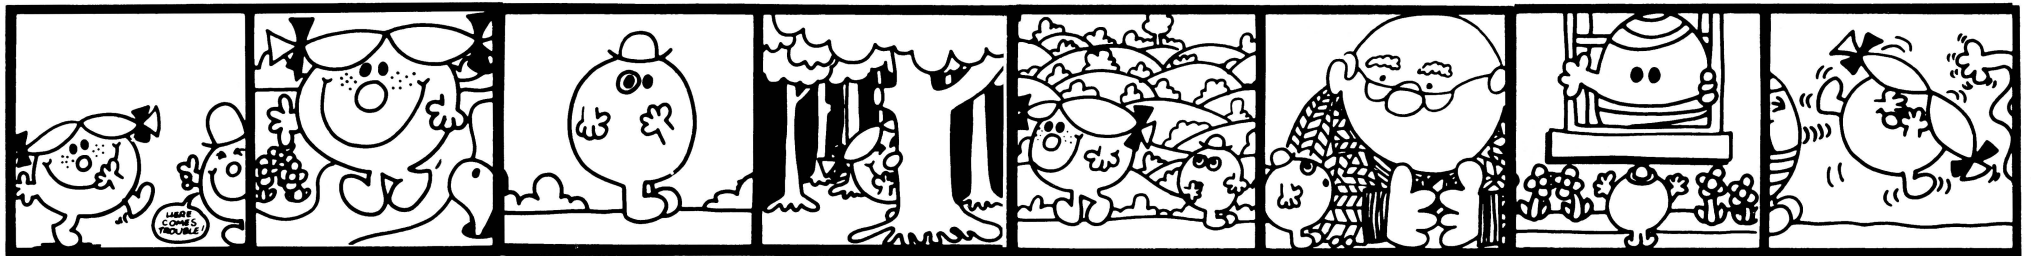

On Tuesday Mr. Busy was rushing along. She was going to trip him.

TWEAK! 'Ouch!' cried little Miss Naughty as she ran off! By Sunday she was cured. Thanks to the nose tweaker.

'Hello, Mr. Impossible, he smiled. Thank you for helping to cure little Miss Naughty.'

## LITTLE MISS TROUBLE™

By Roger Hargreaves

'Here comes trouble, people used to say.'

And he hit poor Mr. Small.

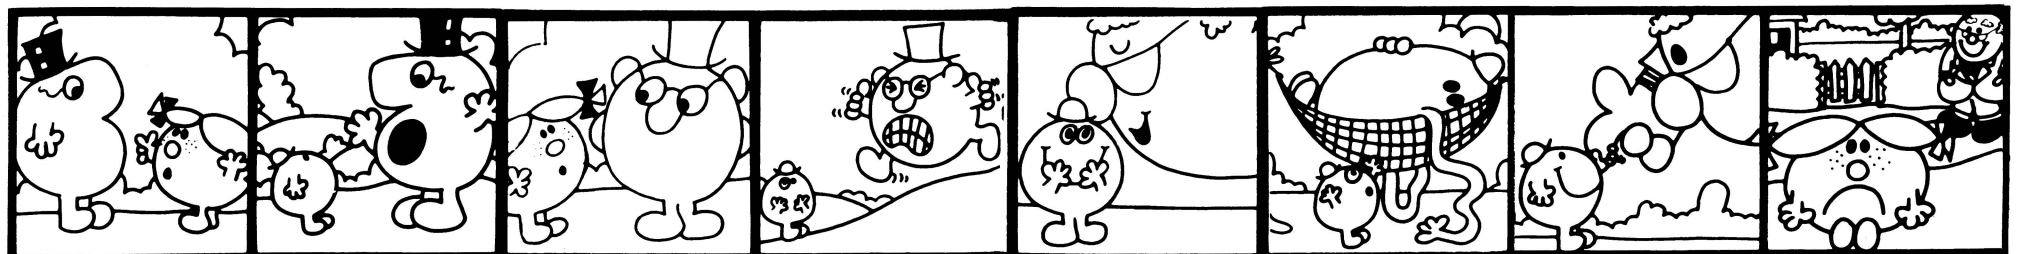

Little Miss Trouble hugged herself with glee.

Poor Mr. Small got another black eye.

Poor Mr. Small had to go to the doctor.

'Do you know what Miss Trouble calls you?' 'Mr. Nitwit!' she said.

Little Miss Trouble was in trouble!

'Do you know what Mr. Small calls you behind your back?' 'Fatty!' she said.

Immediately he went to see Mr. Small.

'Do you know what Mr. Small calls you?' 'Big Nose!' she said.

Mr. Clever didn't like that very much either.

Doctor Makeyouwell whispered something to Mr. Small.

That evening Dr. Makeyouwell strolled over to see Mr. Small.

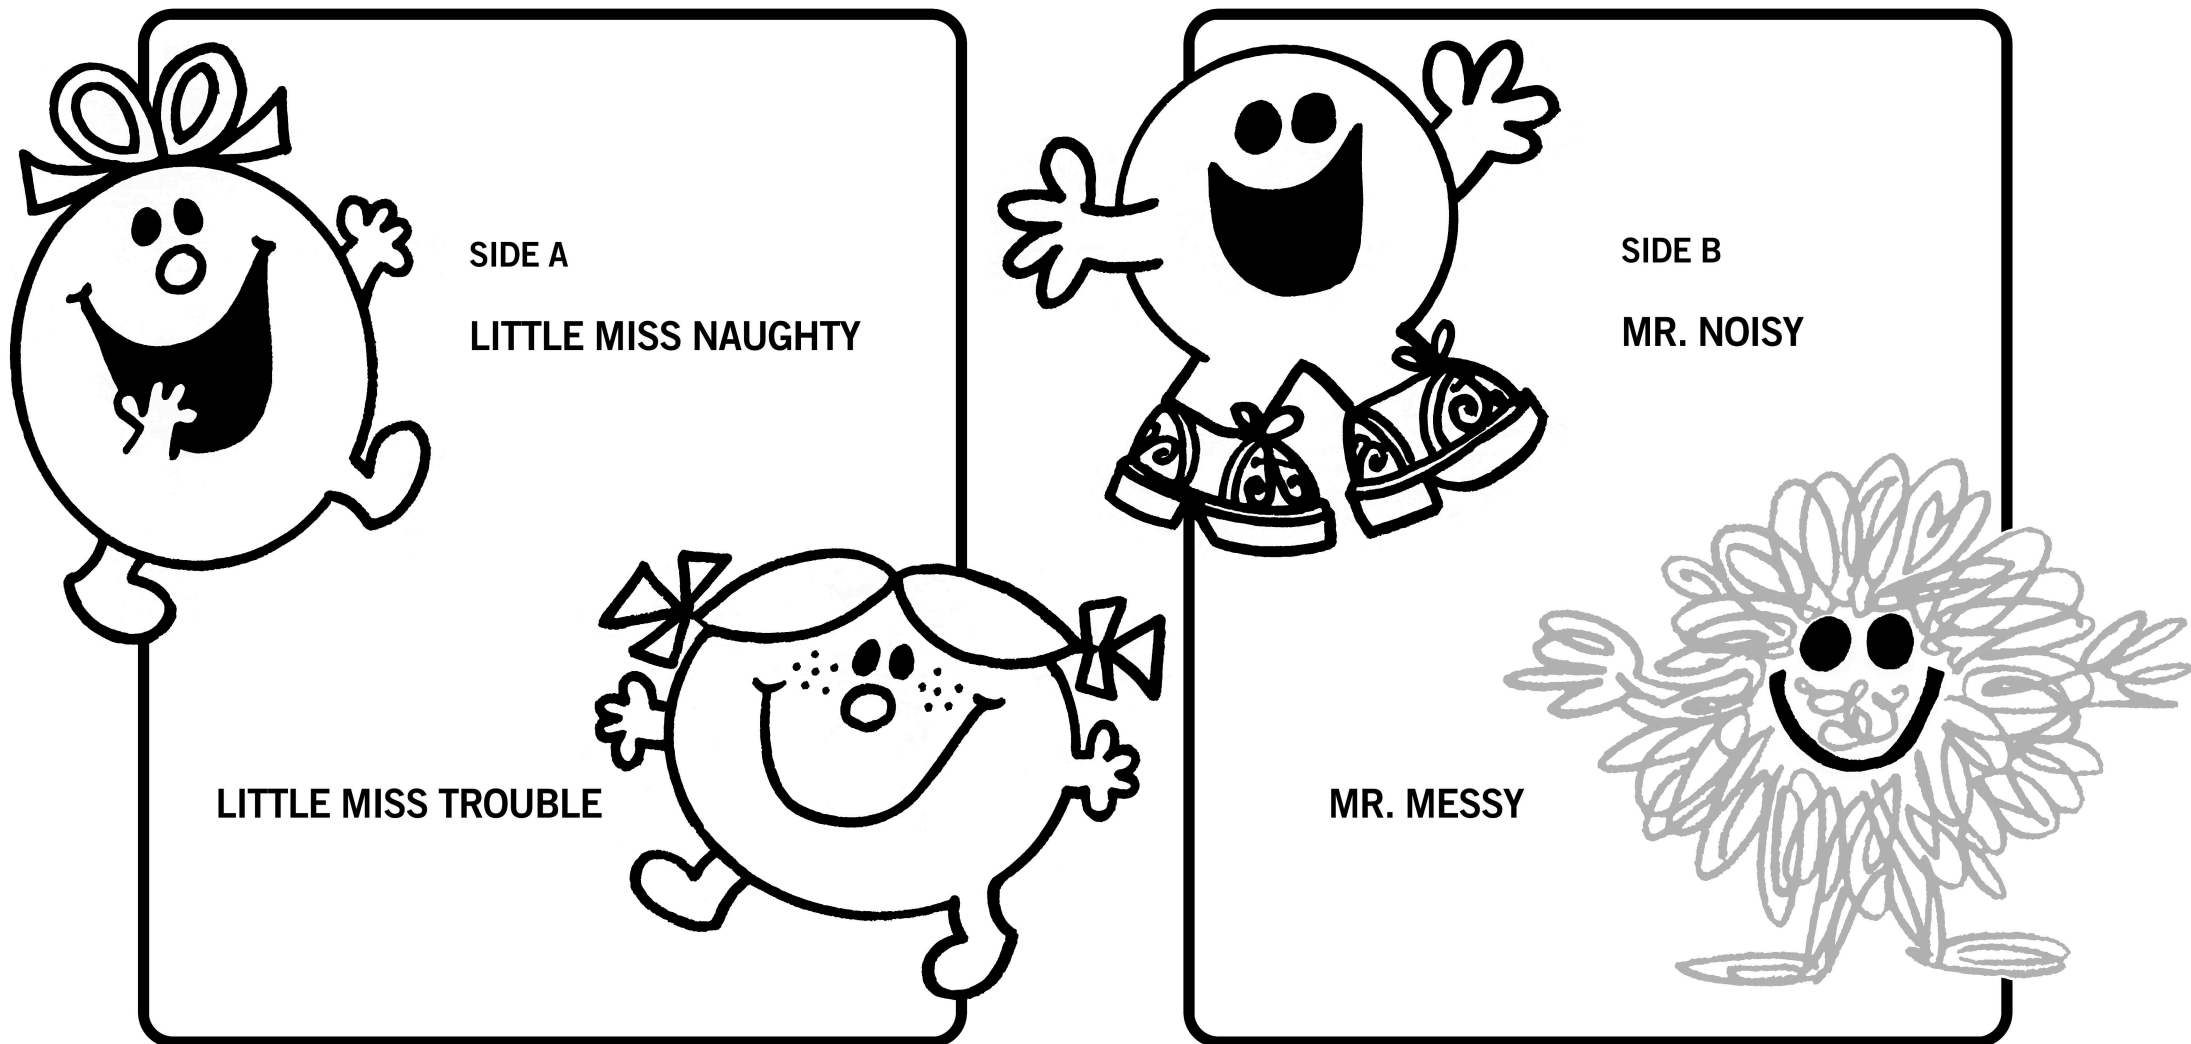

He then strolled over to see Miss Trouble. 'You know what you've just had, don't you?' 'A taste of your own medicine,' he chuckled.
