WILFRED NUMKENA

HERE HE IS! The boy from Hopi Land. Wilfred Numkena . . . a name fast becoming a familiar sound around the southwestern United States and for good reason!

The place can be a large dance hall, a small room, or a high rock perched upon one of the lofty Hopi mesas the effect is always the same. As soon as Wilfred starts to sing the mood changes and you forget other things and just listen!

From the first minute to the last, you are intrigued by Wilfred's easy style and resonant voice. He has a unique sincerity which makes you like him as well as the song.

Red Feather Records is happy to present this new and interesting talent from a most unusual group of people the Hopi Indians who live high on the beautiful mesas in northeastern Arizona.
