HAVEN OF REST

Norma Pursley-Dasher, Vibraharp

Arthur Garner, Organ

Norma Dasher has played the vibraharp for nine years after a background of piano study and choral and trio work. As the wife of L. E. Dasher, she has played the instruments as a help in his pastoral and evangelistic work. This has included appearances at the "Don Room" in San Diego as well as at other places in Southern California, a TV program at the Alberta camp meeting in Lacombe, Alberta, Canada, and with the Field School of Evangelism at the Jubilee Auditorium in Calgary, Alberta.

Arthur Garner graduated from Walla Walla College, College Place, Washington, with a B.A. degree in 1957. He also graduated from Loma

Linda University with a D.D.S. degree in 1961.

Starting at the time he was in the 7th grade, Dr. Garner has been church organist wherever he has lived. Some of these churches are the Loma Linda University; Walla Walla, Washington; Colton, California; and Caldwell, Idaho, Seventh-day Adventist churches.

During his school days he earned funds by playing the organ for Sunday services at various churches, and he was chapel organist at the U.S. Air Force Base at San Bernardino, California.

A few days after this recording was made, Dr. Garner and his family left for mission service in Pakistan.
